**SOMETIMES YOU PEER INTO THE DARKNESS TO FIND IT PEERING RIGHT BACK**

Sassy Jade Sanchez has just been dumped after four years of devout monogamy, and she's starving for a little affection. Her self-esteem is shattered, her confidence damaged, and she's had so many ugly cries she's afraid her face will never be the same. In the hopes of re-discovering a touch of her former self, she attends a costume party, only to end up on the nasty side of her mortality when a greasy Dracula sinks his teeth into her neck.

She can make peace with the notion that she's been enthralled by the original vampire, she can even make peace with the fact that he's in love with her, but there is no way in hell she's going to become a recruiter for the Viking-esque vampire who claims he can keep her from becoming some sort of Bride of Dracula even if he is a hot-as-hell bad boy.

It's too bad the supernatural help she seeks from a voodoo priestess ends up with her becoming the host body for priestess's lover and her sexy Viking vampire boss has no idea she's inhabited part time by a lesbian ghost.

## What should you know about Vampire Addictions

This vampire romance trilogy is two thirds complete, but that doesn't mean the paranormal romance trilogy isn't full of steamy romance, adventure with a bit of NA romance, and plenty of coming-of-age angst and exploration of supernatural elements. If you love romance thriller novels that include sexy Vikings, a damaged main character who is also a strong female lead, fantasy that includes greek mythology and has more than its share of suspense, why not take a taste of Vampire Addictions?
