Bears Make the Best Reading Buddies (Fiction Picture Books) Carmen Oliver

All the students in the class are assigned reading buddies. Except for Adelaide. She already has one. A bear! And Adelaide is quite persuasive as she explains to her language arts teacher, Mrs. Fitz-Pea, and the reader, that bears really do make the best reading buddies. They sniff out good books. Their claws are just right for turning pages. And the bear looks rather friendly (and studious) in these crayon-bright, contemporary illustrations, making this eBook perfect for every collection.
