Brotherhood The Stories of the "8orade" Sean Clark

My name is Sean Clark, and in high school I was part of a sobriety friendship cult that worshipped the Gatorade gods. The clan was known as the "8orade" and was both founded and led by the kicker of the football team. We were a melting pot of high school personalities. We had honor roll athletes, video game veterans, class clowns, daredevils, meat-heads, and our picture could have been used in the Wikipedia entry for friendship. We were never peer-pressured into using modern day vices and we didn't spend much of our time courting females. This means that we were responsible for creating our own fun using our own methods. I have put my experiences from being a member of this modern day elitist cult into my own words and now I am sharing them with the rest of civilization. The things we did weren't always safe, they weren't always sane, but they were always a good time.
