God has already set a precedent to use California to lead the nation that leads the world. It is the prayer of this author that this book will encourage and energize the Christians of the world to pray the Golden State into its spiritual future. There is a battle in the heavenlies for the soul of California. California needs a fresh move of God and the world needs California to arise to the call of God and its "Manifest Destiny."

TRULY GOD'S COUNTRY!

Read this book and be encouraged as we pull back the veil and reveal the glorious California that God founded, the California that God still sees, and the California that will be at the forefront of God's plans for worldwide revival.
