**The ultimate fan's guide to the Coen Brothers' cult classic, with an introduction by the Dude himself, Jeff Bridges.**

To some *The Big Lebowski* is just a movie, to others it's THE MOVIE. Over the past several years the movie has developed a massive and passionate cult following, led by the creation of Lebowski Fest, a traveling festival celebrating all things Lebowski. Held in a bowling alley, it features bowling, costume and trivia contests, live music, a screening of the movie, White Russians, and what-have-you. Attendance has grown exponentially and the Fest has been featured in virtually every national media outlet, from *NPR* to the *New York Times*. The *Associated Press* called it "kind of a 'Star Trek' convention, but without all the geeks." *SPIN Magazine* called it one of the "19 events you can't miss!" Now, at last, comes the book that the legion of Lebowski fans (aka Achievers) has been waiting for. *I'm a Lebowski, You're a Lebowski* is a treasure trove of trivia and commentary, hilarious throughout and illustrated with photos from the film, including dozens taken on the set by Jeff Bridges. It includes interviews with virtually every major and minor cast member including John Goodman, Julianne Moore and John Turturro, as well as the real-life individuals who served as inspiration for the characters such as Jeff Dowd and John Milius. Fellow Achievers Patton Oswalt, Tony Hawk and *Powerpuff Girls* creator Craig McCracken give their thoughts on the movie and the phenomenon that surrounds it. The book features a handy guide to speaking Achiever, tips on how to Dude-ify your car, office, and living space, Lebowski Fest highlights and so much more.
