Racial Unity of the Ancient Egyptians and Nubians Gert Muller

The skeletal remains, mummies, hair and art of the ancient Egyptians show that they were similar to Nubians. The art of the ancient Egyptians shows that had the same variation in facial features and complexion that we see in Nubian art. It cannot be denied that the ancient Egyptians and Nubians belonged to the same race. There are 60 colour pictures which illustrate the author's point. This is a continuation of the work of Professor Cheikh Anta Diop using mainly information that was not available in his time.
