Cape Cod Promises is a new contemporary romance from New York Times and USA Today bestselling authors Bella Andre and Melissa Foster!

Fall in love on Rockwell Island...Sink your toes into the sandy beaches at the heart of Cape Cod Bay, where family comes first, good friends are around every corner, and true love is waiting beneath the stars.

Trent Rockwell has it all--a thriving legal practice, coownership of the Rockwell Resort, and a big, loving family. And yet his failed marriage to Reese Nicholson has haunted him for ten long years. Now that he has moved back to Cape Cod Bay to help run his family's resort, he is surrounded by memories of Reese...and he can't stop longing for the woman he'd always believed was his one true love.

At nineteen, artist Reese Nicholson was swept off her feet by the handsome, charming, and incredibly sensual Trent Rockwell. After a whirlwind courtship, they married and moved to New York City, where they hoped all of their personal and professional dreams would come true. But six months later, Reese returned to Rockwell Island brokenhearted and disillusioned.

For a decade, Trent and Reese carefully kept their distance. But all it takes is one accidental late-night encounter to immediately stir the desires they have both tried to bury deep. Powerless to resist the heat between them, every passionate kiss, loving caress, and heartfelt apology draws them closer together. So close that they can't help but wonder if the promises they once made to love each other forever are still true...
