With a new look and design, the *Third Edition* of *ServSafe Essentials* offers significantly new, simplified, streamlined content to make complicated concepts easier to learn and easier to manage. Content has been revised to include updates from the recently released 2003 supplement to the 2001 FDA Food Code, as well as new science-based and industry best practices. Other features include a new section for use and reference by managers at their operation; more visual representation of content through the use of new icons, illustrations and photographs; all new multiple-choice study questions, and more. It prepares students for the ServSafe Food Protection Manager Certification Examination.
