Alice Savage needs an alpha – any alpha – to prevent her pack from being usurped by the lecherous Roscoe. As a last resort, she signs up for the Midnight Liaisons dating service, never expecting that she'd find the alpha she seeks. She certainly didn't expect Jackson Wilder, a laid back, sexy-as-sin outsider who claims to be an alpha.

But Alice has a problem that most female wolf alphas don't — she's a virgin. And the female alpha of a wolf pack always belongs to a male alpha. Luckily for her, Jackson's utterly gorgeous and willing to take things slow. But is he alpha enough to help her save her pack...or is he too easy-going to be the man she needs?

This is a novella in the Midnight Liaisons shifter series and can be read as a stand alone!
