In *Daddy's Delight*, Dr. Karia Bunting reminds women that they are God's workmanship, His masterpiece, His "poema". That God has intricately woven together every fiber of their being and created each one special and unique. That God, having completed His work of art, gave her to mankind as a gift.

Evident in this great care God took in fashioning woman is the importance and value of each one. So why do so many women struggle with God's design, wishing they could change just this or that one thing about themselves?

Dr. Bunting challenges each reader to accept and embrace the fact that, in whatever season of life, she is God's masterpiece, not her own work of art. When God sees her, He sees His beautiful creation. A creation that has some wrinkles needing to be smoothed out, and yet is one in whom it is His delight to love.
