The Beachside Guest House Vanessa Greene

When Rosa and Bee get together in the run-up to Bee's wedding, they reminisce about the holiday they took together as teenagers to the beautiful Greek island of Paros. They remember the sandy coves; the guest house in the converted windmill where they stayed with their friend, Iona; and the gorgeous local men.

As memories of that long-forgotten holiday resurface, they are forced to confront the turns their lives have taken - and the guilt they both feel about letting Iona slip away from them.

When they learn that the windmill guest house is going bust, they form a plan: why not go back to the island and take it over themselves? And so begins a life-changing journey - because it turns out that opening a guest house and reliving their teenage dreams isn't that easy....

Full of romance and friendship, love and life, laughter and tears, *The Beachside Guest House* is an uplifting novel about the magic of starting over with friends by your side.
