The Boleyns

David Loades

The Boleyns David Loades

• First-ever history of the infamous Boleyn family. • 'David Loades is one of our finest Tudor historians'
ALISON WEIR • Author is a recognized authority on the Tudors with 16 books to his credit. The fall of Anne Boleyn and her brother George is the classic drama of the Tudor era. The Boleyns had long been an influential English family. Sir Edward Boleyn had been Lord Mayor of London. His grandson, Sir Thomas had inherited wealth and position, and through the sexual adventures of his daughters, Mary and Anne, ascended to the peak of influence at court. The three Boleyn children formed a faction of their own, making many enemies: and when those enemies secured Henry VIII's ear, they brought down the entire family in blood and disgrace. George, Lord Rochfort, left no children. Mary left a son by her husband, William Carey - Henry Carey, Lord Hunsdon. Anne left a daughter, Elizabeth I - so like her in many ways and a sexual politician without rival.
