- All exercises build towards the production of finished creative pieces.
- Sequential, logical, step-by-step instruction.
- The second level builds on the introductory volume, *The Creative Writer: Five Finger Exercises*, but can be started directly by older students.
- Instruction in the five essentials of fiction: plot, characters, dialogue, point of view, and setting.
- Offers guidance in the essential art of poetry: sound, rhythm, word choice, and poem construction.
