A Log's Life

Wendy Pfeffer

A Log's Life Wendy Pfeffer

One stormy day a strong wind rages through the forest, causing an old oak tree to bend and sway. Lightning strikes; the tree crashes to the ground. Now it's a giant log.

In this fascinating book, author Wendy Pfeffer and illustrator Robin Brickman introduce readers to the life cycle of a tree. The informative, lyrical text is complemented by stunning, three-dimensional paper sculptures that showcase the forest ecosystem, inspiring readers to take a close look at the trees -- and logs -- in their own backyards.
