Life, Death and Sacrifice Women and Family in the Holocaust

Life, Death and Sacrifice Women and Family in the Holocaust

The book contains articles by some of the most prominent scholars in the field who tell the stories of women who were humiliated, tortured and murdered; their eternally etched-in-the-memory stories of struggle and survival. This collection of articles is based on two international conferences on women in the Holocaust, held in recent years at Beit Berl Academic College, Beit Theresienstadt, and the Ghetto Fighters House in Israel. The editor, Esther Hertzog, is a daughter of Holocaust survivors, who never spoke about the subject at home. She discovered a feminist perspective on the Holocaust at a conference at Oxford she attended, almost by chance, seven years ago. That experience motivated her to speak with her mother and document their conversations in the article that appears herein.
