Slippers - Easy To Make Crochet Pattern Sarah Taylor

This crochet pattern for slippers can be used for making either cool summer slippers with a cotton based yarn, or warm and cozy winter slippers using a wool based yarn.

The pattern can be used to make slippers for both children and adults; the smallest size will fit from approximately age 6. I have included a size guide for reference if you are unable to measure the exact foot size for the person you are making the slippers for.

Each pair only requires one 2 oz skein (50 g ball) in the main color, and an oddment of yarn in a contrast color (which is optional).

The pattern is written using standard American terms; if you normally use UK terms, I've got you covered by including a list of stitch conversions from US to UK terminology!
