The Gardener

S. A. Bodeen

The Gardener S. A. Bodeen

Mason has never known his father, but longs to. All he has of him is a DVD of a man whose face is never seen, reading a children's book. One day, on a whim, he plays the DVD for a group of comatose teens at the nursing home where his mother works. One of them, a beautiful girl, responds. Mason learns she is part of a horrible experiment intended to render teenagers into autotrophs?genetically engineered, self-sustaining life-forms who don't need food or water to survive. And before he knows it, Mason is on the run with the girl, and wanted, dead or alive, by the mysterious mastermind of this gruesome plan, who is simply called the Gardener.

Will Mason be forced to destroy the thing he's longed for most?

The Gardener is a 2011 Bank Street - Best Children's Book of the Year.

From reader reviews:

Betty Adkins:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each e-book has different aim as well as goal; it means that guide has different type. Some people really feel enjoy to spend their time for you to read a book. They can be reading whatever they have because their hobby will be reading a book. Think about the person who don't like looking at a book? Sometime, particular person feel need book once they found difficult problem or perhaps exercise. Well, probably you will need this The Gardener.

Jon Farris:

This The Gardener book is simply not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is usually information inside this book incredible fresh, you will get details which is getting deeper you read a lot of information you will get. This kind of The Gardener without we know teach the one who reading it become critical in contemplating and analyzing. Don't become worry The Gardener can bring when you are and not make your tote space or bookshelves' grow to be full because you can have it with your lovely laptop even cellphone. This The Gardener having fine arrangement in word and layout, so you will not feel uninterested in reading.

Rosalie Lloyd:

A lot of people always spent their own free time to vacation or go to the outside with them household or their friend. Are you aware? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity here is look different you can read a book. It is really fun for yourself. If you enjoy the book which you read you can spent all day every day to reading a e-book. The book The Gardener it is very good to read. There are a lot of people that recommended this book. These were enjoying reading this book. If you did not have enough space bringing this book you can buy typically the e-book. You can m0ore quickly to read this book from the smart phone. The price is not too costly but this book offers high quality.

Pedro Lewis:

Your reading 6th sense will not betray an individual, why because this The Gardener guide written by well-known writer whose to say well how to make book which can be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and publishing skill only for eliminate your current hunger then you still hesitation The Gardener as good book not only by the cover but also by content. This is one e-book that can break don't judge book by its deal with, so do you still needing a different sixth sense to pick that!? Oh come on your reading through sixth sense already alerted you so why you have to listening to yet another sixth sense.
