## **The Institutes of the Christian Religion - Enhanced Version** John Calvin

Published first in 1536, the Institutes of the Christian Religion is John Calvin's magnum opus. Extremely important for the Protestant Reformation, the Institutes has remained important for Protestant theology for almost five centuries. Written to "aid those who desire to be instructed in the doctrine of salvation," the Institutes, which follows the ordering of the Apostle's Creed, has four parts. The first part examines God the Father; the second part, the Son; the third part, the Holy Spirit; and the fourth part, the Church. Through these four parts, it explores both "knowledge of God" and "knowledge of ourselves" with profound theological insight, challenging and informing all the while. Thus, for either the recent convert or the long-time believer, for the inquisitive beginner or the serious scholar, John Calvin's Institutes of the Christian Religion is a rewarding book worthy of study!
