Caribbee

Thomas Hoover

Caribbee Thomas Hoover

“This action-crammed, historically factual novel . . . is a rousing read, ably researched by Hoover”

Publishers Weekly

Barbados and Jamaica 1648. The lush and deadly Caribbean paradise, domain of rebels and slaveholders, of bawds and buccaneers. Colonists fight a wishful war for freedom against England.

CARIBBEE is the untold story of the first American revolution, as English colonists pen a Declaration of Defiance ("liberty" or "death") against Parliament and fight a full-scale war for freedom against an English fleet -- with cannon, militia, many lives lost -- over a century before 1776.

The powerful story line, based on actual events, also puts the reader in the midst of the first major English slave auction in the Americas, and the first slave revolt. We see how plantation slavery was introduced into the English colonies, setting a cruel model for North America a few decades later, and we experience what it was like to be a West African ripped from a rich culture and forced to slave in the fields of the New World. We also see the unleashed greed of the early Puritans, who burned unruly slaves alive, a far different truth from that presented in sanitized history books. Finally, we witness how slavery contributed to the failure of the first American revolution, as well as to the destruction of England's hope for a vast New World empire.

We also are present at the birth of the buccaneers, one-time cattle hunters who banded together to revenge a bloody Spanish attack on their home, and soon became the most feared marauders in the New World. The story is mythic in scope, with the main participants being classic American archetypes -- a retelling of the great American quest for freedom and honor. The major characters are based on real individuals, men and women who came West to the New World to seek fortune and personal dignity.

Reviews

“This action-crammed, historically factual novel . . . is a rousing read about the bad old marauding days, ably reserached by Hoover”

Publishers Weekly

“Meticulous . . . compelling.”

Kirkus Reviews

“It should establish Thomas Hoover in the front rank of writers of historical fiction.”

—MALCOLM BOSSE author of *THE WARLORD*

From reader reviews:

Carol Castaneda:

This Caribbee tend to be reliable for you who want to be a successful person, why. The explanation of this Caribbee can be one of the great books you must have is actually giving you more than just simple looking at food but feed a person with information that perhaps will shock your previous knowledge. This book will be handy, you can bring it everywhere and whenever your conditions both in e-book and printed kinds. Beside that this Caribbee forcing you to have an enormous of experience like rich vocabulary, giving you trial run of critical thinking that we understand it useful in your day action. So , let's have it and luxuriate in reading.

Raymond Blalock:

Reading a book can be one of a lot of action that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people like it. First reading a book will give you a lot of new data. When you read a book you will get new information because book is one of a number of ways to share the information or perhaps their idea. Second, reading a book will make anyone more imaginative. When you looking at a book especially fictional works book the author will bring you to imagine the story how the personas do it anything. Third, you are able to share your knowledge to others. When you read this Caribbee, you could tells your family, friends and soon about yours guide. Your knowledge can inspire others, make them reading a e-book.

Terri Root:

Many people spending their time by playing outside having friends, fun activity along with family or just watching TV the entire day. You can have new activity to spend your whole day by looking at a book. Ugh, think reading a book can really hard because you have to bring the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Mobile phone. Like Caribbee which is obtaining the e-book version. So , try out this book? Let's find.

Thomas Dacosta:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Caribbee can make you feel more interested to read.
