Not in Kansas Anymore

Christine Wicker

Not in Kansas Anymore Christine Wicker

Wicker soon set out to discover what was so compelling about the philosophy and practice of magic, or witchcraft. From the moment she introduces a group of self-professed vampires, who challenge her as to whether she is a victim, she sweeps us into some seriously cobwebby corners of the American psyche. Impeccably researched and filled with details on the prevalence of magic throughout American history, the book could be ponderous and freaky, but that Wicker's delightfully self-abnegating tone never allows. When she attends a ritual in Salem, Massachusetts, where historic witch-burning is the basis of a profitable commercial cult, her over-the-top costume makes it hard for her even to walk. Offered a chance for some good mojo to spice up her sex life, she decides to let well enough alone. Wicker never mocks the magicians' and witches' beliefs or their sometimes-extreme personal habits but rather constantly seeks the reasons for belief and the context for personal choice.

From reader reviews:

John Sanchez:

Typically the book Not in Kansas Anymore has a lot associated with on it. So when you check out this book you can get a lot of advantage. The book was authored by the very famous author. The author makes some research ahead of write this book. This specific book very easy to read you may get the point easily after scanning this book.

Victor Willis:

The reason why? Because this Not in Kansas Anymore is an unordinary book that the inside of the guide waiting for you to snap that but latter it will surprise you with the secret the idea inside. Reading this book beside it was fantastic author who have write the book in such incredible way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of benefits than the other book possess such as help improving your expertise and your critical thinking means. So , still want to hold off having that book? If I were you I will go to the reserve store hurriedly.

David Colon:

Your reading 6th sense will not betray anyone, why because this Not in Kansas Anymore publication written by well-known writer who really knows well how to make book which can be understand by anyone who read the book. Written with good manner for you, leaking every ideas and publishing skill only for eliminate your personal hunger then you still doubt Not in Kansas Anymore as good book not simply by the cover but also by the content. This is one guide that can break don't determine book by its deal with, so do you still needing another sixth sense to pick this specific!? Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.

Lillian Albrecht:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Not in Kansas Anymore can make you truly feel more interested to read.
