Ali isn't sure what she should do—her parents' marriage isn't the picture perfect image she'd always thought; turns out her entire life has been a lie; and the guy she's falling hard and uncontrollably for is receiving naked pictures after a marathon of sex. It seems everything that had ever been going well is suddenly a burden.

But she has to admit that what she feels for Riley is raw and real. So great that it should be illegal. But as the truth comes out about her family, she has to ask herself some hard questions: Is this what real love is? Lies and deception and cheating and revenge?

Riley is fighting his own demons. He knows he could easily get lost in Ali. She seems too good to be true. And the effects she has on him are things he's never felt or done before. Is he seriously thinking about a monogamous relationship?

But that would mean he'd have to change. And he doesn't change for anyone. He has to start setting his own limits and sticking to them. Just what are those limits? And how far is he willing to put himself out there for the girl who couldn't be more perfect?

== > The Games We Play 3 is approx. 150 pages and is volume 3 in the Riley Grayson series. This story is planned to unfold over five volumes.

\*\*Due to adult situations this book is for 18 and older only.\*\*
