The Hakawati

Rabih Alameddine

The Hakawati Rabih Alameddine

In 2003, Osama al-Kharrat returns to Beirut after many years in America to stand vigil at his father's deathbed. As the family gathers, stories begin to unfold: Osama's grandfather was a *hakawati*, or storyteller, and his bewitching tales are interwoven with classic stories of the Middle East. Here are Abraham and Isaac; Ishmael, father of the Arab tribes; the beautiful Fatima; Baybars, the slave prince who vanquished the Crusaders; and a host of mischievous imps. Through Osama, we also enter the world of the contemporary Lebanese men and women whose stories tell a larger, heartbreaking tale of seemingly endless war, conflicted identity, and survival. With **The Hakawati**, Rabih Alameddine has given us an *Arabian Nights* for this century.
