"What I'm about to tell you isn't a typical baseball story. I don't limp off the bench and hit a game-winning home-run in the World Series. I didn't throw a perfect game in my last ever start, nor do I mentor some bonus-baby with a million-dollar arm and two-cent head so he can mature and make it to the big leagues. And I promise you that I don't end up playing catch with my dad in an Iowa cornfield at the end of this either. " So begins Kenny Beck's tale as he lives the dream of so many young boys- the dream of playing professional baseball. Even though his was a short-lived pro career, it taught Kenny a great deal about the game and about life. What Day Is Today? is a baseball book for anyone who's ever picked up a bat, ball, or glove, and wondered what it is like to play professional baseball.
