Are You Serious About Scoring a 5 on Your Advanced Placement* Exam?

Then You Need REA's Test Prep for the AP* Environmental Science Exam - with TestWare CD

This second edition of our popular AP test prep is completely up-to-date and aligned with the official Advanced Placement* exam. The book contains in-depth reviews of all the topics covered on the AP* Environmental Science exam, including Matter & Energy in the Environment, Earth Systems, The Biosphere, Water & Land Resources, and Environment & Society. Case studies at the end of each chapter relate environmental topics and principles to real-world issues, so you can apply what you've learned to everyday subjects.

Diagrams, charts, and figures throughout the book illustrate key topics and data results. A glossary of terms all AP* Environmental Science students should know and a breakdown of the exam's content are included so you can study smarter and score a 5!

The book features four full-length practice exams with detailed explanations of answers, a custom study schedule, and test-taking strategies. The practice tests are composed of every type of question that can be expected on the actual AP* Environmental Science exam, so you can "practice for real" and target your strengths and weaknesses before the test.

Two of the book's practice tests are included on CD in a timed format with automatic, instant scoring. Our interactive TestWare CD offers detailed on-screen answers, diagnostic feedback, plus an extended time function for students with disabilities.

If you're serious about getting a 5 on your exam, then you need REA's test prep for the AP* Environmental Science exam!

REA has helped more than a million students succeed on their AP exams! Teachers across the country consider our AP* titles to be invaluable resources and consistently recommend our books to their students.*
