One she absolutely cannot let pass her by. Until she leaves, all she has to do is fill in on a movie shoot in New Zealand and keep out of trouble. And trouble looks a lot like a devilishly hot stuntman...

Eli Black has one rule: don't date girls on set. His only goal is to get to Hollywood and fulfill a promise he made to his dying brother. Unfortunately, Tabby sends Eli's temperature soaring through the stratosphere. Surely—just for the month—they can enjoy a hot little fling before they go their separate ways? All they have to do is not fall in love...
