Do you want to know more about the Bible, but don't know where to start? Maybe you've started, but have problems sticking with a daily Bible study routine? Are you tired of the same old devotionals and ready for something deeper? Swim in the Deep End invites you into the adventure of studying the Bible for yourself. It answers questions that many people have about Bible study: How do I find time? Where do I start? How do I understand what it means? How do I apply it to my life? And what should I do if I get out of my devotional routine?

This book contains practical answers to these questions and emphasizes relationship with Christ rather than religion. It also has thought-provoking questions at the end of each chapter, making it useful for both individual and group study. The last chapter gives several study plans on topics such as the attributes of God, the will of God, suffering, anxiety, and conflict. It is a great tool for new Christians or anyone who wants to freshen up their Bible study routine.
