## **At the Villa of Reduced Circumstances** Alexander McCall Smith

The irresistible wit and charm of Alexander McCall Smith's *New York Times* best-selling *No. 1 Ladies' Detective Agency* series has won over countless fans. The same subtle humor and enchanting characterizations are full on display in *At the Villa of Reduced Circumstances*, the third entertaining novella starring Professor Doctor Moritz-Maria von Igelfeld.

Von Igelfeld is quite pleased with his role as a visiting scholar at Cambridge, even if his English colleagues can be difficult to comprehend. They frequently speak in metaphors and make peculiar assumptions, saying such odd things as, "I take it your journey went well," when that is not the case at all. But von Igelfeld settles in the best he can, and is soon deeply embroiled in some shady political scheming at the university. After returning to the comfort of his perfectly rational Germany, von Igelfeld is invited to Columbia for a special fellowship. But while there, he gets caught up in some decidedly unscrupulous behavior.
