Juan Granados

El Gran Capitán (Narrativas Históricas) (Spanish Edition) Juan Granados

Gonzalo Fernández de Córdoba, el Gran Capitán (1453-1515), es uno de los grandes mitos de la historia de España, y sin duda uno de los más enigmáticos. Juan Granados se centra sobre todo en sus campañas militares en Italia (asedio en Barletta, batallas de Ceriñola y del Garigliano...), en sus relaciones con sus hombres con los Reyes Católicos, con sus amantes e incluso con sus enemigos, para relatar también los antecedentes (sus primeras armas en Granada, durante las batallas de la llamada Reconquista) y muestra la apasionante trayectoria de este innovador en tácticas militares, para finalmente explorar las circunstancias que le llevaron a caer en desgracia ante los monarcas españoles y a retirarse a su Andalucía natal.
