Horse

Kelly Klein

Horse Kelly Klein

Powerful, beautiful, wild, fragile, and elegant, horses are as diverse and as enigmatic as people. This oversized luxuriously illustrated book, designed by Sam Shahid, is a celebration of the physical beauty of the animal, of what horses can do, and the sense of wonder and awe that the horse evokes. A competitive amateur show-jumper since childhood, Kelly Klein is a highly respected horsewoman, as well as a renowned fashion stylist. In this stunning collection of more than 250 selected photographs, including many previously unpublished, she conveys her very intimate and personal fascination with horses, and the intense vulnerability that counters their natural power and majesty. Mingling high fashion images with vintage shots of races and rodeos, fine art with amateur photography, this anthology is as provocative as it is beautiful, and reveals the extraordinary spectrum of emotions horses inspire in us. With photographs by Helmut Newton, Annie Leibowitz, Bruce Weber, Robert Mapplethorpe, Chris Makos, Richard Prince, Bob Richardson, and Ellen von Unwerth, among many others, Horse is a definitive reflection of an indefinable love and a passionate tribute to a uniquely beautiful animal. Horse is also available in a deluxe slipcased edition limited to 500 copies, each signed by Kelly Klein.

From reader reviews:

Peggy Hardman:

Here thing why this specific Horse are different and reputable to be yours. First of all looking at a book is good nevertheless it depends in the content of computer which is the content is as scrumptious as food or not. Horse giving you information deeper as different ways, you can find any guide out there but there is no guide that similar with Horse. It gives you thrill examining journey, its open up your own eyes about the thing which happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in playground, café, or even in your approach home by train. If you are having difficulties in bringing the imprinted book maybe the form of Horse in e-book can be your alternate.

Amy Davis:

The book with title Horse contains a lot of information that you can understand it. You can get a lot of help after read this book. This specific book exist new knowledge the information that exist in this reserve represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. This particular book will bring you within new era of the glowbal growth. You can read the e-book on your own smart phone, so you can read the idea anywhere you want.

Mary Cruz:

Often the book Horse has a lot of information on it. So when you make sure to read this book you can get a lot of gain. The book was written by the very famous author. Tom makes some research before write this book. This kind of book very easy to read you can obtain the point easily after perusing this book.

Mark York:

This Horse is great reserve for you because the content that is certainly full of information for you who always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great plan word or we can claim no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having Horse in your hand like obtaining the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world within ten or fifteen second right but this book already do that. So , this really is good reading book. Hi Mr. and Mrs. active do you still doubt that will?
