Tabitha Romanov lives on the river Thames in the heart of London, on a rundown grain barge. Music and fun drives her and her unique vocal style doesn't go unnoticed by the scouts of London Harmony when they run across her by chance at an underground rave.

Teresa McClellan is a consummately professional business woman who is the headmistress at a Music Conservatoire. Two complete opposites, oblivious of the other until Teresa catches Tabitha eavesdropping on classes in her school.

(London Harmony is a spinoff of the Music of the Soul books.)
