SAMANTHA (SAM)

The only man I've ever loved stepped aside and left me go 15 years ago because I wanted to start a family. After moving as far away from him as possible, I now must return home for my mother's funeral. The problem with going home is I'm single and I'm still deeply in love with Otis. Seeing him and not acting on my feelings would be impossible, so my plan is to slip into town, take care of my deceased mother's affairs, and slip out unnoticed.

One drink should settle my nerves...

OTIS

I'm the 6'-5" tattooed bad-ass that protects my 32 brothers in the **Selected Sinners MC**. An undercover ATF agent has infiltrated our MC and threatens the security of our club. Determining which of my brothers is the snitch and undoubtedly destined for his grave is my only focus. My current love is the MC - I let the only woman I've ever loved walk away when I was 21 because I young and selfish. I'm 36 now, single, and plan on staying that way.

Not finding the snitch is driving me insane, I need
a drink...

For Otis and Sam, one unscheduled moment together could prove disastrous.

Or, it could rekindle a flame that has always been flickering - a second chance at a first love...

"Being inseparable doesn't define true love. Being separated and having nothing change between you, however, does."
