## **Song Chaser** Kandi Steiner

For more than a year, Tanner West has tried to shake his feelings for his long time best friend, Paisley Bronson. She was the perfect girl to fit the lyrics in all his favorite songs – the girl he had always wanted. When she fell in love with another man before Tanner had the chance to tell her how he felt, he was left with no resolve to find love again. Burying himself in school and easy girls has become his new lifestyle, but when Kellee Brooks shows up at his favorite bar, he begins to think there may be another verse to his song, after all.

Kellee Brooks moved to New York City for one thing: escape. Growing up in a small town where her entire life was planned out for her, she's desperate to break free and find herself without following the same path as her mom. Kellee thought working at the local dive bar would mean more money for school, but when she meets the smoldering, scarred honey eyes of Tanner West, she finds there's much more hiding in the smoky building than just a few tips.

With Paisley still haunting Tanner and Kellee vowing to save anyone the trouble of loving her, will the pain and fear keep them apart – or will they find a way to rewrite their song together?

Break free with this heartbreaking story of letting go and letting love in.
