So when a mysterious elderly woman gives her an extraordinary pocket watch, telling her it's a conduit to the past, Maggie agrees to give the watch a try, if only to disprove the woman's delusion. But it works. Maggie finds herself in the thirteenth century Scottish Highlands, with a handsome warrior who clearly despises her. Her tender soul is caught between her own desire and the disaster she could cause for others. Will she find a way to resolve the trouble and return home within the allotted sixty days?
