The monster who destroyed their beautiful home and took her mother away from her forever. The monster with the face of her father.... Now a young woman, Olivia still yearns to recall those horrifying events, to know the truth about her childhood. With the help of a young writer named Noah Brady, she could have the chance.

Remember When: Laine Tavish's past has just caught up with her. Now it's up to Laine, and a sexy stranger named Max Gannon, to find out who's chasing her and why. The answer lies in a hidden fortune?a fortune that will change not only Laine's life but also the lives of future generations. Until New York City detective Lieutenant Eve Dallas gets on the case.

Angels Fall: Reece Gilmore has been on the run. She settles in Angel's Fist, Wyoming, and now she's hiked this mountain all by herself. Then she sees the man and woman on the opposite river bank. Arguing. Fighting. And suddenly, he's on top of her, his hands around her throat.... By the time Reece brings a gruff loner named Brody to the scene, the pair is gone. Reece knows there's a killer in Angel's Fist, even if Brody is the only one willing to believe her.
