## **Test Your Cat's IQ Genius Edition: Confirm Your Cat's Undiscovered Genius!** Simon Holland

You know your cat is independent, intelligent, and always lands on his feet, but can he play you like a fiddle for human food? How about work a remote control? Or fend off uninvited relatives? A brilliant follow-up to *Test Your Cat's IQ*, *Test Your Cat's IQ Genius Edition* presents a brand-new spin on how to recognize your pet's potential—only this time it's not finding out how good of a pet your cat could be, but instead if she could tackle the world on her own.

To help you find out, Simon Holland and acclaimed illustrator Erica Salcedo Saiz have paired up to create a visually-rich handbook filled to the brim with quizzes that ask you to imagine your cat in various situations, activity tests for you to perform with your cat, and games to help boost your cat's brainpower. These exercises might not get your four-legged friend into the college of her choice, but they'll certainly give you another way to bond with your feline. They'll also allow you to score her results. If your cat really is a superstar, she should be able to do more than simply meet her own needs all day long. With *Test Your Cat's IQ Genius Edition*, it's time to find out if you've been catering to your cat for too long; if your furry friend is a mooch when she could be pulling her own weight around the house.

This fun, affordable guidebook will release in sync with *Test Your Dog's IQ Genius Edition*, just as *Test Your Cat's IQ* and *Test Your Dog's IQ* released in sync in 2013. The content is brand-new and complemented by four-color illustration throughout.
