Centered around the life-changing truth of Romans 6:1-4, *Walking in Newness of Life* was written specifically for women that have experienced the soul-deadening effects of abortion, abandonment, addiction, abuse, betrayal, divorce, neglect, and other emotionally traumatizing sins. Each daily reading progressively unfolds one aspect of the practical nature of the gospel; to the end that the believer can understand how to appropriate the healing grace-work of God through her identification with Christ in His death, burial, and resurrection. The book intentionally emphasizes the personal dimension of the sovereignty of God in the painful providences of life, and the power of the believer's union with Christ to set her free from her sin-induced brokenness. Each daily reading will help the believing woman understand more clearly how she can appropriate the life of Christ by identifying with Him in His death and burial.
