Murder X 2 (Ted James Mysteries Series) G. R. Henderson

After a short relationship and a quick marriage to the woman who helped him solve 'The L Murders', we find our hero, Ted James, resettled in West Seattle in a new house with his wife, Nicole, and her girlfriend, Lydia, searching for an answer to the question of whether Ronald Jensen was murdered by his latest wife, as his daughter Avery claims, or simply was the victim of a terrible accident at the popular weekly Duck Dodge sailboat race on a sunny summer afternoon in Seattle in 1984.

The case becomes somewhat more complicated and dangerous as the story slashes toward an exciting conclusion on the upper deck of Husky Stadium during the Northwestern game. Will Ted maintain his balance and solve the case or will he get knocked off his rocker in both his personal and business life. Too many women with guns or carnal desires can drive a man crazy or lead to an untimely death.

Come in from the Seattle rain, light up a cigarette and grab a cheap copy of 'Murder X 2' and find out for yourself whether Ted survives this latest saga. It won't even take a hit on the head or a bullet from a .45 to keep you interested.
