New Words

New Words

Hundreds of words and expressions enter American English every year. Many of these words wither and die before being written or spoken by more than a handful of people, but a respectable number survive. Oxford lexicographers dive into the sea of language to catch these words as soon as they hatch; then they set about defining these additions to English, which may come from slang, other languages, technical jargon, or scientific breakthroughs. Oxford's rigorous standards result in definitions with the precision and accuracy that readers expect from the most trusted name in reference.

With more than 2,500 new words, meanings, and derivatives, this unique collection will perfectly complement any standard dictionary. In addition to the definitions, entries include real examples (complete with attested sources), of the words being used in magazines, newspapers, books, and online, which further illuminate these embryonic words and their meanings.

The backmatter will include a subject index, a bibliography, and a guide enabling word-loving neophytes to search out new words for themselves.

Brian Crowe:

With this era which is the greater person or who has ability to do something more are more special than other. Do you want to become certainly one of it? It is just simple approach to have that. What you need to do is just spending your time little but quite enough to enjoy a look at some books. One of the books in the top listing in your reading list is actually New Words. This book that is qualified as The Hungry Hills can get you closer in becoming precious person. By looking right up and review this book you can get many advantages.

Irma Chavez:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this New Words can make you truly feel more interested to read.
