## **Philosophy of Religion: Towards a More Humane Approach (Cambridge Studies in Religion, Philosophy, and Society) John Cottingham**

Religious belief is not just about abstract intellectual argument; it also impinges on all aspects of human life. John Cottingham's *Philosophy of Religion* opens up fresh perspectives on the philosophy of religion, arguing that the detached neutrality of much of contemporary philosophizing may be counterproductive - hardening us against the receptivity required for certain kinds of important evidence to become salient. This book covers all the traditional areas of the subject, including the meaning of religious claims, the existence of God and the relation between religion and morality, as well as the role of spiritual praxis and how religious belief affects questions about the meaning of life, human suffering and mortality. While preserving the clarity and rigor that are rightly prized in the analytic tradition, the book also draws on insights from literary and other sources, and aims to engage a wide readership.

#### **Lewis Shafer:**

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Philosophy of Religion: Towards a More Humane Approach (Cambridge Studies in Religion, Philosophy, and Society) can make you sense more interested to read.
