Who's Afraid of the Big Bad Book? Lauren Child

Herb never imagined the dangers when he decided to scribble on and cut up his book of fairy tales. Drawing mustaches on the characters, pasting telephones into the rooms, and cutting out Prince Charming and the royal thrones had seemed like good fun. But then Herb never imagined he'd fall into the book one night. After contending with a petulant Goldilocks, a very angry wicked stepmother, and a disappointed Cinderella, all Herb wants to do is find his way off the page. If only he can escape the book, he can make everything happily ever after again... sort of. With exuberant collage illustrations and a hilarious text, award-winning author and illustrator Lauren Child has created a wild and irreverent romp through the land of fairy tales.
