## **African Awakening: The Emerging Revolutions**

An insightful and comprehensive compilation of the year's events, this record offers in-the-moment comment and analysis as well as informed reflection on the 2011 African uprisings. While the tumultuous uprisings in Tunisia, Egypt, and Libya have seized the attention of media analysts, the concurrent rebellions in Benin, Gabon, Senegal, Swaziland, Ethiopia, Djibouti, Uganda, and in other parts of the African continent have gone virtually unnoticed. Arguing that these disturbances are the result of decades of declining living standards, mass unemployment, land dispossessions, and impoverishment of the majority, this account provides an overview of the struggle for democratization, which constitutes a reawakening of the spirit of freedom and justice for all.
