It's Bedtime for Little Monkeys

It's Bedtime for Little Monkeys

The little monkeys in your home probably prefer playtime to bedtime, but active little ones need a good night's sleep. Charm your board book readers into quickly getting through their nighttime routine so you can read aloud from this fun book with a mannerly message.

Children will see from these cute and colorful pages that they aren't the only ones with a bedtime schedule. Reading about how others prepare for sleep will help reinforce your end-of-day routines. These little monkeys will give you a chance to calm things down, cuddle with your kids, and assure them that pleasant dreams are only a story, a prayer, and night-light away.

It's Bedtime for Little Monkeys is a great follow-up to Susie Lee Jin's other adorable board book, *Good Table Manners for Little Monkeys*.
