The Martha Stewart Living Cookbook Martha Stewart Living Magazine

Ten years ago, Martha Stewart made cooking a primary focus of her bold new magazine, *Martha Stewart Living*. Over the decade, each issue has been a treasure of culinary information and inspiration, bringing the pleasures of cooking and entertaining--in impeccable style--to millions of devoted readers, from novice cooks to professional caterers.

At last all of Martha's favorite magazine recipes have been gathered in a single volume. *The Martha Stewart Cookbook* is a compendium of the best of the best from the food pages of every issue. But more than a mere collection, this specially designed volume is a major step in Martha's mission to keep home cooking traditions alive. *The Martha Stewart Cookbook* is filled with recipes--1200 in all--for every kind of cook and every occasion. Some recipes invite you to stretch your cooking knowledge and expertise while others provide inspiration--and instruction--for what to have for dinner.

Organized, in trademark style, for maximum practicality and ease of use, this major general-purpose cookbook features nineteen classically arranged chapters, from Basics, Breakfast, and Hors d'Oeuvres to Meat, Poultry, Fish and Shellfish and Desserts. In between there are Salads, Soups, Vegetables and whole chapters devoted to Vegetarian Main Courses and Potatoes. Throughout, there are basic classes--cooking 101s--for making food that should be in every cook's repertoire: macaroni and cheese, omelets, roast turkey, fried chicken and mashed potatoes. Specialty dishes are here, too, whether the occasion calls for a casual cocktail party, dinner with the in-laws, or a sit down luncheon for a bride-to-be. Cooking tips and techniques, pantry and equipment glossaries plus a guide to finding unusual ingredients make the kitchen tested recipes accessible to home cooks everywhere. An ideal reference, *The Martha Stewart Cookbook* belongs on every kitchen counter in America.

Martha Stewart is the author of thirteen best-selling original books on food, entertaining, gardening, and home restoration, is the chairman and chief executive officer of *Martha Stewart Living Omnimedia*. She lives in Connecticut, Maine, and on Long Island.

From reader reviews:

Anna Chew:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their leisure time with their family, or their very own friends. Usually they carrying out activity like watching television, planning to beach, or picnic in the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? Could be reading a book can be option to fill your cost-free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to consider look for book, may be the guide untitled The Martha Stewart Living Cookbook can be very good book to read. May be it may be best activity to you.

Essie Ryan:

People live in this new day time of lifestyle always try to and must have the time or they will get wide range of stress from both way of life and work. So , whenever we ask do people have extra time, we will say absolutely indeed. People is human not really a robot. Then we ask again, what kind of activity are there when the spare time coming to an individual of course your answer may unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative within spending your spare time, the book you have read is usually The Martha Stewart Living Cookbook.

Marilyn Chambers:

That guide can make you to feel relax. That book The Martha Stewart Living Cookbook was colourful and of course has pictures on there. As we know that book The Martha Stewart Living Cookbook has many kinds or type. Start from kids until teens. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore not at all of book are make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading that.

Gay Swiderski:

What is your hobby? Have you heard this question when you got learners? We believe that that concern was given by teacher to their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person similar to reading or as looking at become their hobby. You have to know that reading is very important as well as book as to be the issue. Book is important thing to provide you knowledge, except your own teacher or lecturer. You get good news or update with regards to something by book. Many kinds of books that can you take to be your object. One of them is niagra The Martha Stewart Living Cookbook.
