## **The White Tecumseh: A Biography of General William T. Sherman** Stanley P. Hirshson

A refreshing new look at one of the Civil War's most compelling and controversial figures Best remembered as the man who burned Atlanta, and marched his army to the sea, cutting a swath of destruction through Georgia, William Tecumseh Sherman remains one of the most vital figures in Civil War annals. This beautifully crafted new biography offers a fresh perspective on this pivotal personality. It is the first Sherman biography to draw on regimental histories, giving us a fascinating view of how Sherman's own men regarded him and how they rated him as a general. More sympathetic than other biographers, Hirshson presents Sherman as a brilliant but tormented soul, haunted by the mental instability that plagued his mother's family. The White Tecumseh also focuses more closely on Sherman's battles and marches than previous accounts, demonstrating that his lackluster performance on the battlefield was more than compensated for by the effectiveness of his march campaigns. \* Illustrations include previously unseen photos from the West Point Archives STANLEY P. HIRSHSON (Closter, New Jersey) is a professor of history at Queens College of the City University of New York. He is also the author of Farewell to the Bloody Shirt: Northern Republicans and the Southern Negro, 1877-1983. Reconsidering one of the Civil War's most compelling and controversial figures. "As psychologically penetrating as it is painstakingly researched ...sure to become a controversial book on one of America's great generals."-Publishers Weekly (starred review). "Sympathetic yet excellent ...insight into how Sherman's own troops felt about him and his relationships with fellow generals, especially Grant...Highly recommended."-Library Journal. Best remembered as the man who burned Atlanta and marched his army to the sea, cutting a swath of destruction through Georgia, William Tecumseh Sherman is treated to a beautifully crafted study from acclaimed historian Stanley Hirshson. The first to draw on regimental histories, this book presents Sherman as a brilliant but tormented soul, haunted by the mental instability that plagued his mother's family. Among the illustrations are previously unseen photos from the West Point Archives. Stanley P. Hirshson (New York, NY) is professor of history at Queens College and City University of New York, and author of Farewell to the Bloody Shirt: Northern Republicans and the Southern Negro, 1877-1893.
