Tom Kay

When the Comet Runs: Prophecies for the New Millennium Tom Kay

A common theme in millennial prophecies is the appearance of a bright comet in the heavens. Tom Kay's *When the Comet Runs* attempts to divine what this celestial event might bring with it. Kay does not claim to be a prophet, but he is adept at interpreting and integrating the prophecies of the Bible, Nostradamus, Edgar Cayce, and contemporary prophets like Gordon-Michael Scallion. Kay weaves this potpourri of prophecy into an illustrated tapestry of the future, revealing a variety of images from earthquakes--like "the big one" due hit California--to an approaching spiritual transformation of the entire human race. --*Brian Patterson*
