**When a serial arsonist known as The Fire Dancer strikes in the wilds of Arizona, Tess finds herself fighting more than wildfires.**

Tess Masterson's parents died in a terrible barn fire. The tragedy drove her to become one of the best smoke jumpers in the business. Though she makes a living jumping out of planes into roaring wildfires, she's never found the courage to face the wounds of her past--or to deal with the anger that flares whenever she encounters Chase Huston.

When a serial arsonist known as The Fire Dancer strikes near her old homeplace in Arizona, Tess must examine her past. Can she confront her own demons and put a stop to the terror that has the area in flames?
