Don't you think it's about time you learned what the 10 Commandments are all about?

Sadly, most people know little about the Ten Commandments. Few people can name more than three or four of them.

Those who take the time to study the commandments find they're not a list of "Do not's," but are in fact God's guide to the good life—a life full of blessings. That's why the Bible calls them "the royal law" and "the law of liberty."

There's much more to these commandments than meets the eye. They're not just God's way of preventing us from having a good time.

The commandments are designed to protect us, our families and our communities. They're a guide to transforming the way we think, what we do and how we live. They truly are ten keys to a successful and happy life!

Learn how you can begin having a life full of blessings by reading The Ten Commandments today!

Chapters in this ebook:

- A Royal Law of Love
- The First Commandment: What Is Our Greatest Priority?

Inside this Bible Study Aid ebook:

"Every commandment of God is for our good. Did you notice in the preceding passage that obeying God's commandments and practicing love are irrevocably linked together in God's eyes? This is because the commandments define the love that is the foundation for all godly relationships."

"...Jesus spoke clearly and to the point. God's law has not been abolished, and, according to Christ's own words, anyone who teaches so is directly contradicting Him and is in serious spiritual trouble."

"It is important that we believe what Jesus and His apostles said about their own view of the commandments of God. Once that is clear to us, then the reasonings of men cannot deter us from respecting and obeying those commandments from the heart."
