Carve Smart: 100 Chainsaw Carvers From Around the World Answer Questions About Carving was written by the men and women who answered each other's questions on the CarvingPost.com forum in 2003. Carve Smart addresses topics encountered by full-time and part-time carvers that are not covered in most step-by-step carving books: saws, bars and chain, wood and finishes, the carving business, a place to carve, skill, and ideas.
