First comes love  
Then comes marriage  
Now? The baby carriage

Garrett and Hannah Thompson have a lot going on. They have a baby on the way, Garrett's on tour, and Hannah's enjoying being a wife and a soon-to-be mother.

But with them nothing is ever easy. Paparazzi still want the inside scoop, Jared and Shell still have issues, and there's still her pesky record company that they have to deal with.

Luckily for them, all that's ever mattered is that they love each other. The other stuff is always secondary—except when it isn't, and it's thrust to the forefront of their lives. Life is never easy, especially for those who live it in the public eye. Sometimes they have to take a step back, take a deep breath, and let it all come full circle.
