Judgment Day (Mike Daley/Rosie Fernandez Novel) (Volume 6) Sheldon Siegel

New York Times best-selling author Sheldon Siegel returns with a harrowing new case for the San Francisco law firm of Daley and Fernandez. As husband and wife, Mike Daley and Rosie Fernandez couldn't make it work. But as partners in one of San Francisco's most tenacious law firms, Daley and Fernandez make one hell of a team. Judgment Day finds the ex-spouses tackling their most difficult case yet. Called in at the last minute to try to stop the execution of Nathan Fineman, a former mob lawyer convicted of murdering three people in the back room of Chinatown's notorious Golden Dragon Restaurant, Mike and Rosie must race the clock in a desperate attempt to prove their client's innocence. With only ten days to go and a wealth of forensic evidence pointing overwhelmingly to Fineman's guilt, their task seems impossible. Complicating matters, Mike must battle his own personal demons when the reputation of his dead father—a San Francisco cop who was one of the first officers at the scene the night of the murders—is called into question. And as the plot hurtles toward its stunning denouement, judgment day is fast approaching not only for Nate Fineman, but for Mike's father and the law firm of Daley and Fernandez as well.
